BILLING GUIDELINES

1. It is our goal to provide our patients with the best and affordable therapy services possible. We will verify your insurance benefits specific to therapy, and will explain these benefits to you. **We recommend that you also verify your benefits – the information we receive from your insurance may be incorrect, and you are ultimately responsible for all charges.**
2. We request that all copays, coinsurance, deductibles, and any other fees that are not covered by your insurance be paid at the time of service. We also require the social security numbers of the patient and the subscriber at the time of the first visit, or we will not be able to provide services. We also require that social security numbers of the patient and the subscriber at the time of the first visits, or we may not be able to provide services.
3. If privately paying for therapy, we require that you pay for sessions in full at the time of therapy.
4. We offer a variety of therapy products that may be recommended to you for purchase to facilitate your child's therapy program. You must pay for any item prior to receiving it. We are sorry but we cannot bill you or your insurance for any therapy products.
5. For your convenience, we accept cash, checks, VISA, MasterCard and Discover.

TREATMENT GUIDELINES

1. We do not permit eating or drinking in our waiting room. We have children who have serious allergies and we greatly appreciate your cooperation. Baby bottles, nursing, water, and coffee are allowed.
2. Parents are welcome and encouraged to remain present during all therapy sessions. However, if you leave during the session, please be sure to return 15 minutes prior to the end of the session so that the therapist may review the session and instruct you in new home activities. Do not arrive back to a session after therapy has ended; our staff has other scheduled children to treat. We cannot take responsibility to watch your child outside of therapy time.
3. Family members are encouraged to participate in therapy sessions to make them active facilitators in their child's program. Home programs are implemented with family members to ensure the program's success in each unique family environment. To fully be able to learn and participate, consider leaving siblings at home. When this is not possible, we will do our best to provide family centered care without taking away from your child's therapy, or others' therapy within the therapy environment.
4. Theraplay believes in a team approach. Your child will be treated by a number of different staff members, including therapists, assistants, and students, and may interact with aides, residents and volunteers. The team approach achieves greater progress with goals, and better carryover into natural environments. Therapy schedules/assignments may change without notice, in the event of something unforeseen occurring; however, the majority of your appointments will be with exactly who you schedule with.
5. Please be sure to let a therapist know if your child experiences any discomfort or becomes unnecessarily upset due to therapy. Although some procedures may need to be uncomfortable, it is our goal to provide your child with the most enjoyable and fun experience as possible.

SCHEDULING GUIDELINES

1. All therapy is by appointment only.
2. When scheduling appointments, you may schedule up to one month (4 weeks) of appointments at a time, within your insurance authorization. No appointments will be scheduled outside of your insurance authorization at any time. We know this may cause inconvenient appointments at times, however, this policy is strictly enforced. There is never a guarantee that your insurance will continue to authorize future visits.
3. We strongly suggest families become active participants in the insurance process and contact their insurance company directly regarding pending authorizations. It has been our experience that the insurance companies are far more efficient when a family member becomes involved.
4. We require 24 hours' notice for cancellation. For each appointment, a full hour of staff time and treatment space are reserved for your child, therefore proper notice allows us adequate time to potentially fill that time slot with another patient. Please call to cancel any appointment – we do not accept emails to our website to cancel an appointment. Patient reminder phone calls will be made each day for the next day's appointments to assist families with keeping their scheduled appointments.
5. There is a \$35.00 charge for all appointments that are not cancelled with sufficient notice, and for all no

show appointments, and this fee increases with each subsequent no-show or late cancel. This fee will be waived if the cancelled appointment is rescheduled into an available appointment slot within the next 7 days.

6. If you are late for an appointment, your therapy time will be cut short accordingly, and end at the scheduled time. You will be charged the full amount for the session.
7. Your physician has prescribed therapy for your child as an important tool in your child's development. It is your responsibility to ensure to the best of your ability that your child receives therapy at the recommended frequency by keeping all scheduled appointments, and making up all missed/cancelled visits. Failure to do so will disrupt your child's progress and may interfere with your insurance authorization.
8. If permitted by your insurance, we highly recommend at times double booking appointments if your child receives multiple therapies. When a child is being treated by two or more therapies, it greatly helps the therapists to co-treat with another therapy so that goals can be carried over between all therapies. This is not something that needs to be done all of the time, but randomly throughout therapy is extremely beneficial to your child.

INCLEMENT WEATHER GUIDELINES

In the event that Theraplay is closing due to inclement weather, a message will be placed on the voicemail system, our website and our Facebook page. For a full day of closing, or for a late opening, the message will be on the voicemail, website and Facebook page by 6:00am. We will not be calling to cancel appointments. Please call and check to see if your appointment is still on. For early closings during the day, we will be calling families. Our staff will call each missed appointment the next business day to reschedule all missed appointments.

BEHAVIORAL GUIDELINES

Our role is to increase your child's skills through physical, occupational and speech therapy. While our therapists are provided training in managing behavior and safety techniques, the intention of each therapy session is to progress toward meeting the goals within the respective discipline of service. We do not have a behavioral therapist on staff in our outpatient centers, and therefore do not provide behavioral therapy within your child's session. If your child demonstrates extreme behaviors, such as aggression towards self or others and these behaviors negatively influence progress toward goals, a support person may be required to attend all therapy sessions. In addition, your child may be requested to leave Theraplay if we feel we cannot meet your child's needs or if the behaviors demonstrated pose too great of a risk to themselves and others. It is of the utmost importance that we maintain a safe, therapeutic environment for your child, our staff, and others at all times. If you are in need of behavioral services, we will provide you available resources.

SOCIAL MEDIA GUIDELINES

We ask that families and caregivers respect our staff members' privacy when using social media. At Theraplay, we strive to maintain your child's and family's confidentiality at all times, including social media. We encourage you to "like" Theraplay's Facebook page to keep up to date on Theraplay news and events rather than connecting with staff through personal social media sites. Our staff are prohibited from "friending" any current patients and their families.

ILLNESS AND INFECTION GUIDELINES

1. Please call our office as soon as you suspect that your child is sick. This is for the safety of your child, our staff, and other children at the office.
2. We request that you keep your child home if any of the following circumstances occur:
 - a. Vomit two or more times in the last 24 hours
 - b. Fever of above 101 degrees in the last 24 hours
 - c. Unexplained body rash, hives or bumps on skin
 - d. Head lice, scabies or other infestation until 24 hours after treatment
 - e. Diagnosed infectious condition such as conjunctivitis, chicken pox, coxsackie, staph/MRSA, and whooping cough.
